

RETURN INSTRUCTIONS

Follow Each Step Completely

1 The NRS Guarantee Your complete satisfaction is our goal. When your order arrives, please check each item carefully. If for any reason, you're not satisfied, you may return that unused product for an exchange, credit or refund.

Returns Fill out the return form provided in your order and include it with your merchandise. Special order, drop ships and custom merchandise may not be returnable or may be subject to a restocking fee. **Books, tapes, health care supplies, used ropes, second ropes and used saddles are not returnable.** Returns are subject to manufacturer evaluation for credits or replacements in some cases.

Rope Policy We want you to be happy with the ropes you receive from NRS. When you receive your ropes, inspect each one carefully. If you are not completely satisfied, return any unused rope to NRS for an exchange or refund. We cannot accept a used rope or second rope for return. Call any of our customer service representatives for tips on keeping your ropes clean, straight and useful.

Saddle Policy It is important that your new saddle fits both you and your horse. When your saddle arrives, inspect it carefully, saddle your horse with it using a clean pad, and make sure you are satisfied with the quality and fit. If you are not satisfied, return the unused saddle for a refund or exchange. Please realize that a new saddle won't sit completely down on the horse's back until it has been ridden several times. Full credit will only be given on a saddle if there are no signs of wear, dirt or use.
